The definitive overview of this transformative breathwork. In this long awaited book, Stanislav Grof and Christina Grof describe their groundbreaking new form of self-exploration and psychotherapy: Holotropic Breathwork. Holotropic means moving toward wholeness, from the Greek holos ( whole) and trepein (moving in the direction of). The breathwork utilizes the remarkable healing and transformative potential of non-ordinary states of consciousness. These states engender a rich array of experiences ...
